SPECIAL GUEST SPEAKER

We are pleased to welcome OSU Men’s Basketball Head Coach Thad Matta as our special guest speaker.

As a Buckeye, Matta has more wins than any previous Ohio State head coach after nine seasons on the job with a 250-73 record to date. In 13 years as a collegiate head coach, Matta has produced 20 or more victories each year which includes three years at Xavier (79-23) and one at Butler (24-8). His average record as a head coach after eight seasons (221-65) in Columbus is 28-8. Matta is one of just two coaches nationally to post 20 or more wins in each of his first 13 seasons as a head coach.

A high school basketball standout at Hooverston-East Lynn in Hoopston, Ill., Matta was a two-year starter for the Butler Bulldogs in three seasons after transferring from Southern Illinois as a sophomore. He earned a B.S. degree (education) from Butler in 1990.

In total, Matta spent six seasons as a full-time assistant coach at three universities, helping his squads compile a composite 128-50 (.688) record and make six postseason tournament appearances. He was on the bench in five-conference tournament championship games and won four league tournament championship rings. He was in the NCAA tournament five times as an assistant under four head coaches and in the post-season NIT once. He established himself as one of the nation’s best young coaching prospects during a six-year assistant coaching stint.

Over the last few years at Ohio State, Matta’s teams advanced to their second appearance in the Final Four (2012) during his tenure, have made an unmatched four-consecutive appearances in the NCAA tournament “Sweet 16,” own three Big Ten regular-season crowns and have appeared in all four Big Ten tournament title games during that stretch.
