THE OHIO STATE UNIVERSITY CENTER FOR MINIMALLY INVASIVE SURGERY PRESENTS

THE FOURTH ANNUAL

Care of the Bariatric Patient Conference

August 27-28
The Blackwell Inn & Pfahl Conference Center
Needs Assessment

Obesity rates remain high and more people are seeking nonsurgical weight loss management as well as bariatric surgery as a treatment option. Healthcare providers must demonstrate continuous quality of care while integrating new medical findings into their practice to apply safe and efficient care to the bariatric patient. This course will familiarize participants with updated care for the bariatric patient through didactic lectures, panel discussions, interactive audience participation and an optional hands-on activity for surgeons.

Course Overview

This two-day course is designed for general and bariatric surgeons, allied health professionals and dietitians who are interested in comprehensive care of the bariatric surgical patient. The course will review the latest updates in nutritional guidelines, operative procedures and patient management in the bariatric surgery patient. An optional hands-on activity for surgeons to learn stenting will be available.
Objectives
Completion of this course will enable participants to:
• Recognize and assess the various roles healthcare providers have regarding bariatric surgery patients.
• Differentiate the various types of bariatric surgical procedures and choose the right one for the patient.
• Identify and describe the importance of endoscopy on a bariatric surgery patient.
• Identify and describe the immediate and long-term psychological changes for the post-surgical bariatric patient in body image and cross addictions.
• Describe the latest nutritional guidelines for the bariatric patient.
• Describe the effects of bariatric surgery on patients with diabetes and their diabetes management.
• Identify and describe different vitamin deficiencies.

Accreditation
The Ohio State University Medical Center, Center for Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The Ohio State University Medical Center designates this educational activity for a maximum of 14.5 AMA PRA Category I Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Those individuals seeking continuing nursing education credit may do so by turning in their CME certificate to the nursing board.

Disclosure Statement
Current guidelines state that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speakers’ presentations. Each speaker has completed a conflict-of-interest statement. Disclosure statements will be provided to participants in the course.

Commercial Support
The course organizers gratefully acknowledge the generous support of our corporate sponsors.

Mission Statement
The Ohio State University Center for Minimally Invasive Surgery is dedicated to the achievement of excellence in patient care, clinical training, research and outcomes studies pertaining to the techniques and technology of minimally invasive surgery. For more information on CMIS course offerings, please visit http://cmis.osu.edu.

Travel & Accommodations

Travel and hotel are the responsibility of the individual attendees. The Ohio State University is not responsible for travel arrangements. Please confirm course registration prior to hotel registration or the purchase of airline tickets. If you need special accommodations due to disability, please contact Heidi Pieper at 614-293-9072.

The Blackwell Inn:

The Blackwell Inn is a simple craftsman design aesthetic with contemporary amenities. It is the only hotel located on The Ohio State University campus, and provides easy access to the university’s state-of-the-art recreational facilities. With complimentary airport transportation and close proximity to the downtown arts & entertainment district of Columbus, The Blackwell Inn matches convenience and comfort for an unparalleled stay.

For more information, please visit www.theblackwell.com. Make a reservation by calling 614-247-4000 and reference “Care of the Bariatric Patient.” A block of rooms has been reserved at a reduced rate of $135 per night, single or double occupancy, plus room tax. Reservations must be received on or before July 27 to ensure the reduced rate.

Air Travel

It is recommended that you use Port Columbus International Airport, which is a 15-minute drive to the hotel.

Register Today
