MedNet21 Overview

MedNet21 is an on-line CME Webcast focused on addressing the professional practice gaps of primary care physicians. We offer [video on-demand CME webcasts](#) through our MedNet21 series. Each year we provide 40 webcasts for the 10 month season and programs are accessible 24 hours a day, 7 days a week from anywhere in the world. You can watch the MedNet21 webcasts on-line and get CME credit today.

MedNet21 Benefits:

- Provides a great resource for assisting Primary Care Physicians in earning CME credits.
- MedNet21 webcasts can be viewed from any location with High Speed Internet access.
- Hospitals have access to over 40 OSU physicians yearly through MedNet21.
- Viewers can E-mail follow-up questions to MedNet21 presenters.
- Hospitals have access to 40 webcasts to use for Grand Rounds.
- Each subscribing hospital has access to our MedNet21 Administrator for technical support, guidance and periodic questions.
- Hospitals do not need to generate their own Grand Rounds.
- Physicians in subscribing hospitals have the ability to participate in the MedNet21 yearly needs assessment process by submitting their professional practice gaps.
- OSHN Hospitals receive a 20% discount for subscribing to MedNet21.
- Physicians can earn 1 *AMA PRA Category 1 Credit*™ for each webcast.
- Physicians can print out CME credits on-line.
- Individuals affiliated with the subscribing hospital can take CME post tests on-line for free
- Physicians can earn CME credit for attending a MedNet21 webcast in a group setting.

Cost:

- Hospital subscription cost is \$4700 for each MedNet season (September – June)
