MedNet21 Overview

MedNet21 is an on-line CME Webcast focused on addressing the professional practice gaps of primary care physicians. We offer [video on-demand CME webcasts](#) through our MedNet21 series. Each year we provide 40 webcasts for the 10 month season and programs are accessible 24 hours a day, 7 days a week from anywhere in the world. You can watch the MedNet21 webcasts on-line and get CME credit today.

MedNet21 Benefits:

- Provides a great resource for assisting Primary Care Physicians in earning CME credits.
- MedNet21 webcasts can be viewed from any location with High Speed Internet access.
- Individuals have access to over 40 OSU physicians yearly through MedNet21.
- Viewers can E-mail follow-up questions to MedNet21 presenters.
- Individuals have access to 40 webcasts for each MedNet21 season (September - June).
- Individuals have access to our MedNet21 Administrator for technical support, guidance and periodic questions.
- Individuals have the ability to participate in the MedNet21 yearly needs assessment process by submitting professional practice gaps.
- Physicians can earn 1 *AMA PRA Category 1 Credit*™ for each webcast.
- Physicians can print out CME credits on-line.
- Individuals can take CME post tests on-line for free

Cost:

- Each MedNet21 post test is \$25 but Individual Subscriptions are available for persons that would like to purchase CME post tests in packages of 10, 15, 20, 25, 30, 35, or 40.
- The full season Individual Subscription cost is \$800 (includes 40 CME post tests)
